

DOUBLE ZIGZAG

By Liz Katsuro

This very easy strip-pieced pattern is suitable for a brand new beginner, and **can be made in any two fabrics you like!**

Finished top size: approx. 52" x 52" (throw)

You'll need 2 different fabrics, 19 strips of each fabric for the top (does not include binding). Our clearance section is brimming with TONS of single and two-fabric jelly rolls! Find them here - <http://www.jellyrollfabric.net>

DIRECTIONS

1. Sew your strips together in pairs, one of each fabric, down the long side and press open. Your strip sets should be 4.5" wide. Be careful to sew an even 1/4" seam.

2. Cut each set of strips into (9) 4.5" squares. You'll end up with 171 squares once you've cut all 19 sets. (You'll only need 169 to complete your top.)

3. Assemble your odd-numbered rows as shown below. (13 squares in each row) Your row will end up looking like letter "L" pairs lying on their sides.

4. Assemble your even-numbered rows as shown below.

5. Assemble your top by attaching your rows in order from top to bottom. (Be sure to lay them all out first!)
